

# Sparkle of Kindness

*Initiative*

At Bella Ballet, our mission is to sparkle the world with kindness. We promote generosity and compassion to our students every day and teach them that even small acts of kindness can go a long way.

Use this coupon during an act of kindness, such as paying for someone's meal at Chick-fil-a, giving someone something special, including a new friend at school, or any way possible to help our community!

Pass this coupon along to that new friend and encourage them to use it next! It only takes one sparkle to light up someone's day!
